Letter Accompanying Response to Notice to File Corrected Application Papers

Commissioner for Patents
Alexandria VA 22313-1450

Sir:

This letter is sent concurrently with Applicants' response to the Notice to File Corrected Application Papers dated 15 April 2011. On 30 June 2011 the undersigned telephoned the USPTO Publication Branch Office of Data Management at (571) 272-4200. Upon informing the PTO Publication Branch agent of the 15 April Notice to File Corrected Application Papers, Applicants'

lack of response thereto to-date, and the current "pending" status of the above-identified application on PAIR, the Publication Branch agent advised the undersigned to respond by simply sending in the new clean copy of the specification together with a copy of the Notice to File Corrected Application Papers, as well as the completed Issue Fee Transmittal Sheet.

Accordingly, in response to the Notice to File Corrected Application Papers, Applicants respectfully provide herewith a clean copy of the specification, claims, and abstract of the application as originally filed (total of 40 pages), a copy of the Notice to File Corrected Application Papers (2 pages) and the completed Issue Fee Transmittal Sheet (in duplicate), including the indication to charge Deposit Account 07-1765 in the appropriate amount.

Should there be any questions or comments concerning any of the above, Applicants request that any such questions or comments be directed to the undersigned at the contact information provided below. Acceptance of the clean copy of the papers filed in response to the Notice to File Corrected Application Papers is respectfully requested.

Respectfully Submitted,

Rupert B. Hurley Jr.
